CENTRO FIORENZA

ITALIAN LANGUAGE AND CULTURE COURSES

FAQ (Frequently Asked Questions)

1 - COURSES

Is there a minimum age requirement to enroll in courses at Centro Fiorenza?

Yes, the general intensive Italian courses require a minimum age of 17. The 40+ course is for adults.

When is it possible to start a course?

Classes for beginners who have never learned Italian begin on specific start dates. Classes for participants who have already studied the Italian language may start on any Monday.

How long are the lessons?

Each lesson lasts for 50 minutes.

How do I select the course that is right for me?

This depends on your length of stay and personal needs. For example, students who are staying for longer periods of time generally enroll in our Basic Intensive courses which include 4 lessons of 50 minutes each. Students who only have a limited amount of time to learn Italian usually prefer to choose the Super Intensive course which offers 30 lessons per week, Combined Courses or One-to-One tuition. Centro Fiorenza also offers many special courses including: Business Italian, Examination Courses for a variety of National Italian Exams, Italian & Cooking Classes, Italian & Culture Course, Italian & Drawing, etc.

Will extra help be provided if I have any particular difficulty?

Yes, apart from your lessons, we offer additional tutorials, 2 lessons per week, which are free to students and designed to answer any questions from your lessons.

Once the session has begun, can I change my course level or classes?

Yes. We require the proper level placement for each student, therefore if you feel you are not in the appropriate level, you are encouraged to speak with your teacher or the Director of Studies who will help you find a solution.

Can I get US University credits for my courses at Centro Fiorenza?

Yes. We collaborate with some colleges that provide credits that may be trans-

ferred.

For more information, please contact: fiorenza@centrofiorenza.com

Are make up classes provided for classes that are missed due to holidays?

Only the individual One-to-One classes are made up but students are encouraged to take advantage of the extra, free tutorials provided by the school when classes are missed due to holidays. In addition, please check the public holidays in the school brochure before confirming your enrollment.

2 - ACCOMMODATION

How far in advance do I need to complete my reservation?

We recommend you reserve your accommodation at least 1 month in advance. Florence is a popular tourist destination and if you wish to book accommodation during high season (July and August) we advise you to make the reservation as early as possible. We also do accept last minute reservations, please check accommodation availability with us.

Is transportation information provided on how to get to my accommodation from school?

Students are provided with information on how to get to school (bus-numbers, distance, etc) when they are given the address and description of their accommodation. Accommodations are either within walking distance or can easily be reached by bus (apx. 10 – 15 minutes).

Can I stay for extra nights?

Yes, you can check in on Saturday and check out on Sunday if you wish. There is an extra fee for any extra night in the accommodation. Should you need additional nights, we will help you find a suitable hotel, pension or hostel.

Who do I speak to regarding my arrival time to my accommodation?

It is best to contact your host family / landlord a few days before your arrival. If you do not feel comfortable speaking Italian over the phone, please contact the school so we can communicate your arrival time.

Can I use the telephone to make and receive calls from my accommodation?

This depends on the type of accommodation you have:

- Residences: studios and apartments in Residences are equipped with a phone.
- Home stay: most families do not mind you receiving calls after checking convenient times with them
- Private apartments and shared flats: generally no telephone is available.

Depending on your accommodation, you may wish to purchase an Italian cell phone with a prepaid card or rent a cell phone. We can always supply you with more information if you are interested in purchasing or renting an Italian phone.

Are electricity and water included in my accommodation or do I need to pay separately?

- Residence and home stay: electricity and water are included in your payment.
- Private and shared apartments: utilities are not included and are paid directly to the owner of the apartment.

Can I leave my current accommodation with Centro Fiorenza without penalty if I find another apartment or accommodation?

Should you decide to change your accommodation, we require 4 weeks notice. Exceptions are granted under the discretion of the housing coordinator and/or the management of the Centro Fiorenza.

What is Centro Fiorenza's responsibility if problems occur in student housing?

Centro Fiorenza will do everything possible to ensure that your stay meets your expectations.

If you have a problem, we suggest you talk to the landlady/-lord first. It is surprising how many things are just misunderstandings. If there is anything you do not understand or feel unhappy about, get in touch with our housing-coordinator.

Can Centro Fiorenza offer accommodation if I am not studying a course at the school?

Sorry, the Centro Fiorenza accommodation service is only available for our students.

3 - VARIOUS

Are excursions offered through Centro Fiorenza during the week and weekends for students?

Yes, Centro Fiorenza offers weekly cultural activities and full day excursions every weekend. We also organize many weekend excursions to Rome, Venice, Cinque Terre, and Sorrento/The Amalfi Coast, etc.

Can I work in Italy if I am studying with Centro Fiorenza?

Some EU students may find a job in Florence but it can be difficult for students who are non EU citizens to find work since they cannot easily obtain a work permit. Centro Fiorenza does not offer a job placement service.

What are the working hours at Centro Fiorenza?

Centro Fiorenza's working hours are: Mondays - Fridays from 9:00 until 18:00, but sometimes extended depending on the extra curricular activities offered and free tutorials (please check the schedule when you arrive). Only One-to-One lessons, or special programs may be held on weekends, but generally we are closed during the weekend, and always on holidays.

Does Centro Fiorenza offer insurance to their students and if so, how much does it cost?

All students at Centro Fiorenza are insured against accident that may happen inside the school or outside the school premises during guided activities organized by the school. However we advise students to take out medical and personal insurance before leaving their home country.

Can I receive mail at Centro Fiorenza?

Yes, we have a designated postal area for students to receive mail. We recommend that you give your friends and relatives the school address rather than the address of your accommodation.

Can I receive e-mails at Centro Fiorenza? If so, is there a charge?

Centro Fiorenza has free Internet access for students during school hours at either our designated computers, or through our wireless connection if you choose to use your laptop.
